## Conditions of Sale

PRICES given in this list are intended for wholesale trade only, and cancel all previous quotations. They are based on current conditions and are therefore subject to change without notice.

### TERMS:

1. Cash with order.
2. Half of amount remitted with order, balance C. O. D.
3. Charge Accounts. To firms whose credit has been established with us, 2% discount may be taken if paid within 10 days of receipt of shipment. Otherwise, terms are strictly net 30 days from date of invoice.

PACKING at cost will be charged above prices quoted. Paper pots, when used, will be charged extra. When remitting with order, include 5% of order to apply on packing cost.

SHIPPING instructions are requested. Whenever possible we will pool smaller orders in carloads to near vicinity, thus saving on freight and boxing costs. Early placement of orders is essential in insuring accommodation in our pool cars.

CLAIMS or COMPLAINTS must be made within 10 days of receipt of shipment, and in the case of spoilage or breakage, must be accompanied by a copy of the Report of Damage furnished by an inspector for the carrier at time of delivery of shipment.

**GLEDITSIA inermis (THORNLESS HONEYLOCUST)**

**"MORaine LOCUST"**

(Plant Pat. No. 836)

A highly improved form of the Thornless Honeylocust. Graceful vase shape, adaptable to all climates or local conditions. Free from thorns and seed pods, it is a clean tree with proven resistance to disease and insect damage.

This variety of Honeylocust tree is a patented variety covered by United States Plant Patent No. 836 and is being handled under license from the patent owner.
